Osaka April 13, 2019 - Peach Aviation Limited (“Peach”, Representative Director and CEO: Shinichi Inoue) will launch a new Spring menu for its “PEACH DELI” in-flight meal service.

The Tenshin-Chanhan (Tianjin fried rice with crab omelet) and Napolitan pasta dishes in the Spring 2019 “PEACH DELI” menu were both born at Chinese and Western restaurants operating in Japan. They have spread throughout Japan for several years and are a taste beloved by the general public. In recent years, these uniquely Japanese varieties of Chinese and Western cuisine have grown in popularity abroad, even leading to “reverse importation” back to their countries of origin. To give visitors to Japan an original twist on their favorite meals, and Japanese travelers a taste of nostalgia, these items have now been added to Peach in-flight meal menu.
