Osaka January 22, 2021 - Peach Aviation (“Peach”; Representative Director and CEO: Takeaki Mori), launched the Nagoya (Chubu) - Okinawa (Naha) and Ishigaki Routes. Once-daily round-trip service will be operated for each route. Of these two routes, the route connecting Nagoya (Chubu) and Ishigaki is the first for an LCC.

The first Peach MM487 flight departing from Chubu International Airport to Ishigaki

Representative Director and CEO Takeaki Mori of Peach says, “today, the Nagoya (Chubu) - Okinawa (Naha) and Ishigaki Routes have been launched. Peach will continue to provide easy travel at low fares to those who need transportation under these circumstances, and to fulfill our role as a public transportation provider, while giving priority to infection countermeasures”

Going forward, Peach will continue to provide stable and easy travel at low fares as a bridge connecting regions while thoroughly implementing infection countermeasures under the theme of “Bridging your Sky”.
